**Dear Madam,**

I am writing in response to your job notification for the position of UI/UX Designer

This letter is to express my interest in your posting for angular developer with a Bachelor's degree in B.Tech Electrical & Electronics Engineering.

Outlined below are a few of my qualities and capabilities:

- ☐ Good Technical skills.
- ☐ Ability to adapt and learn quickly in any given environment.
- ☐ Ability to work in a team with good communication skills.
- ☐ Hardworking and sincere towards work with an ability to take directions.

I am a good team player and a good communicator. I really look forward to meet you in person. I have attached my resume for your review. I would be highly thankful to you for considering me for this important position.

Best Regards

Kolla Suresh
